GERMAN CLEAN AND CARE

Manual for Suede-Leather Care

Leather Guard

1. Clean Shoes
2. Shake bottle well
3. Apply evenly to dry or damp shoes
 - a. Leather Guard is a thin wax emulsion; have a cloth ready.
4. 12 - 24 Stunden trocknen lassen

- ★ “Note: Particularly suitable for rough and nubuck leather.
If the water repellency is insufficient, Leather Guard can be used in combination with Shoe Guard.”
